

India's No. 1 Real Estate Portal Since 1997

The ultimate precision growth engine for real estate agents, builders, and property dealers.

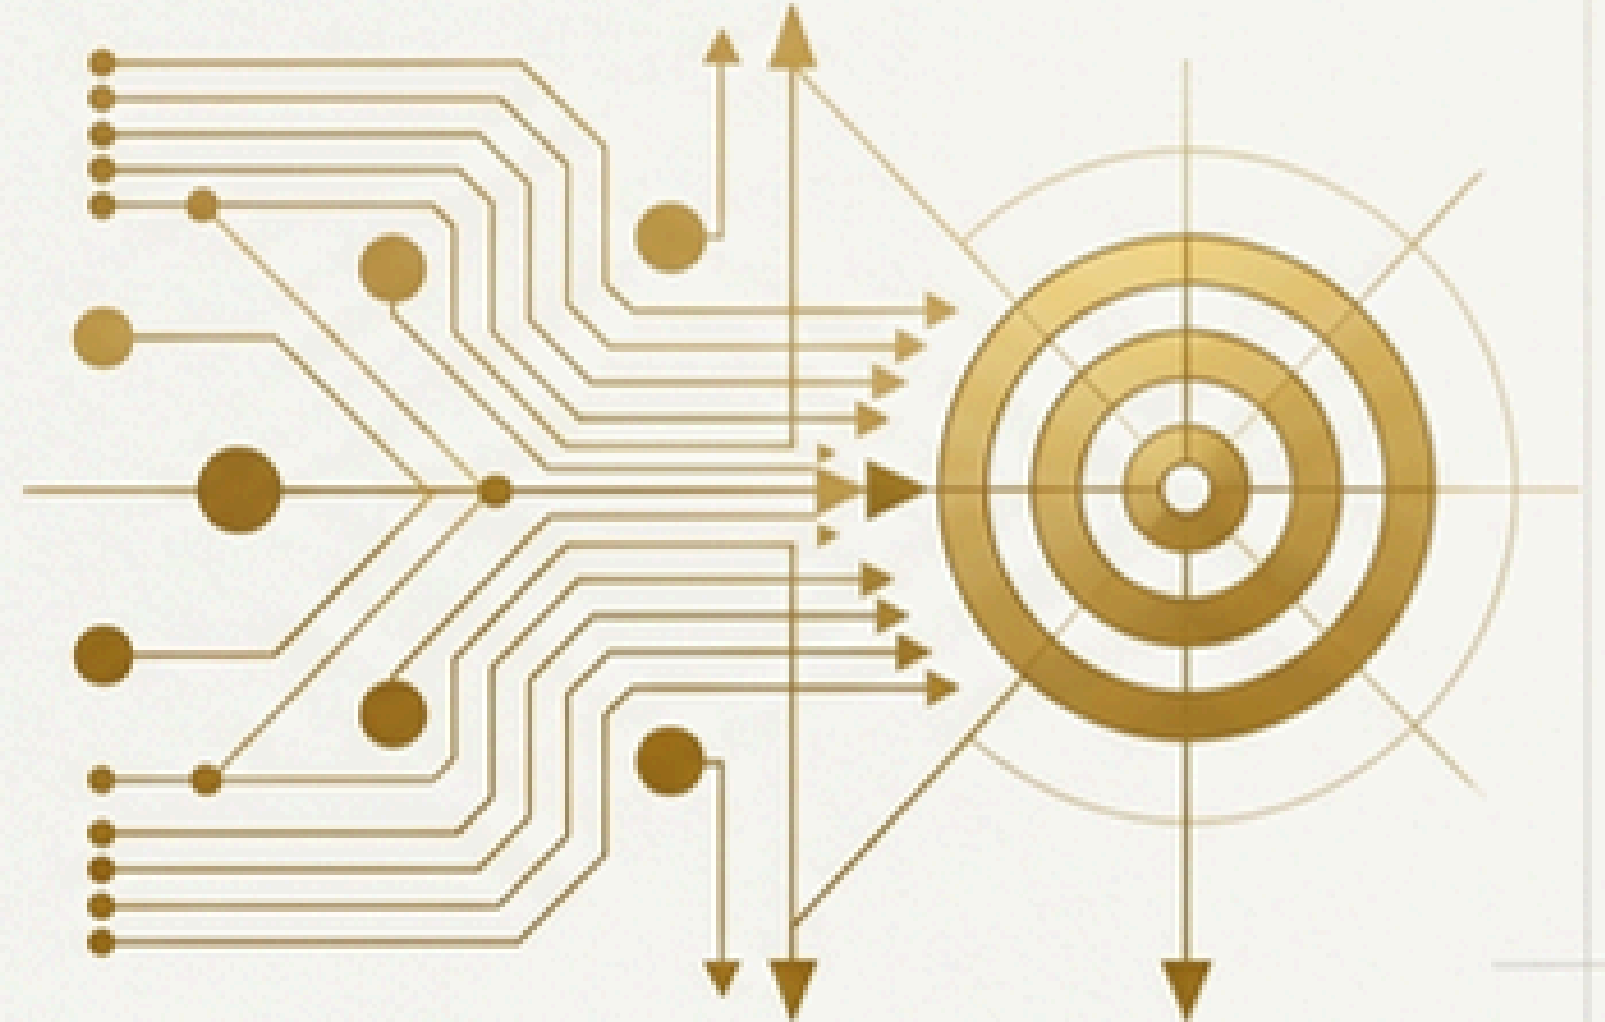

The Difference Between a Contact and a Contract is Intent

Dead Leads & Wasted Time

Stop chasing passive browsers.

Verified Intent & High Conversion

Engage exclusively with **active, serious buyers** who have a **genuine intent** to transact.

Connecting Real Estate Professionals with Genuine Market Demand

A frictionless marketplace designed to grow your network and generate real, actionable enquiries across India.

An Active Ecosystem Powering the Indian Real Estate Market

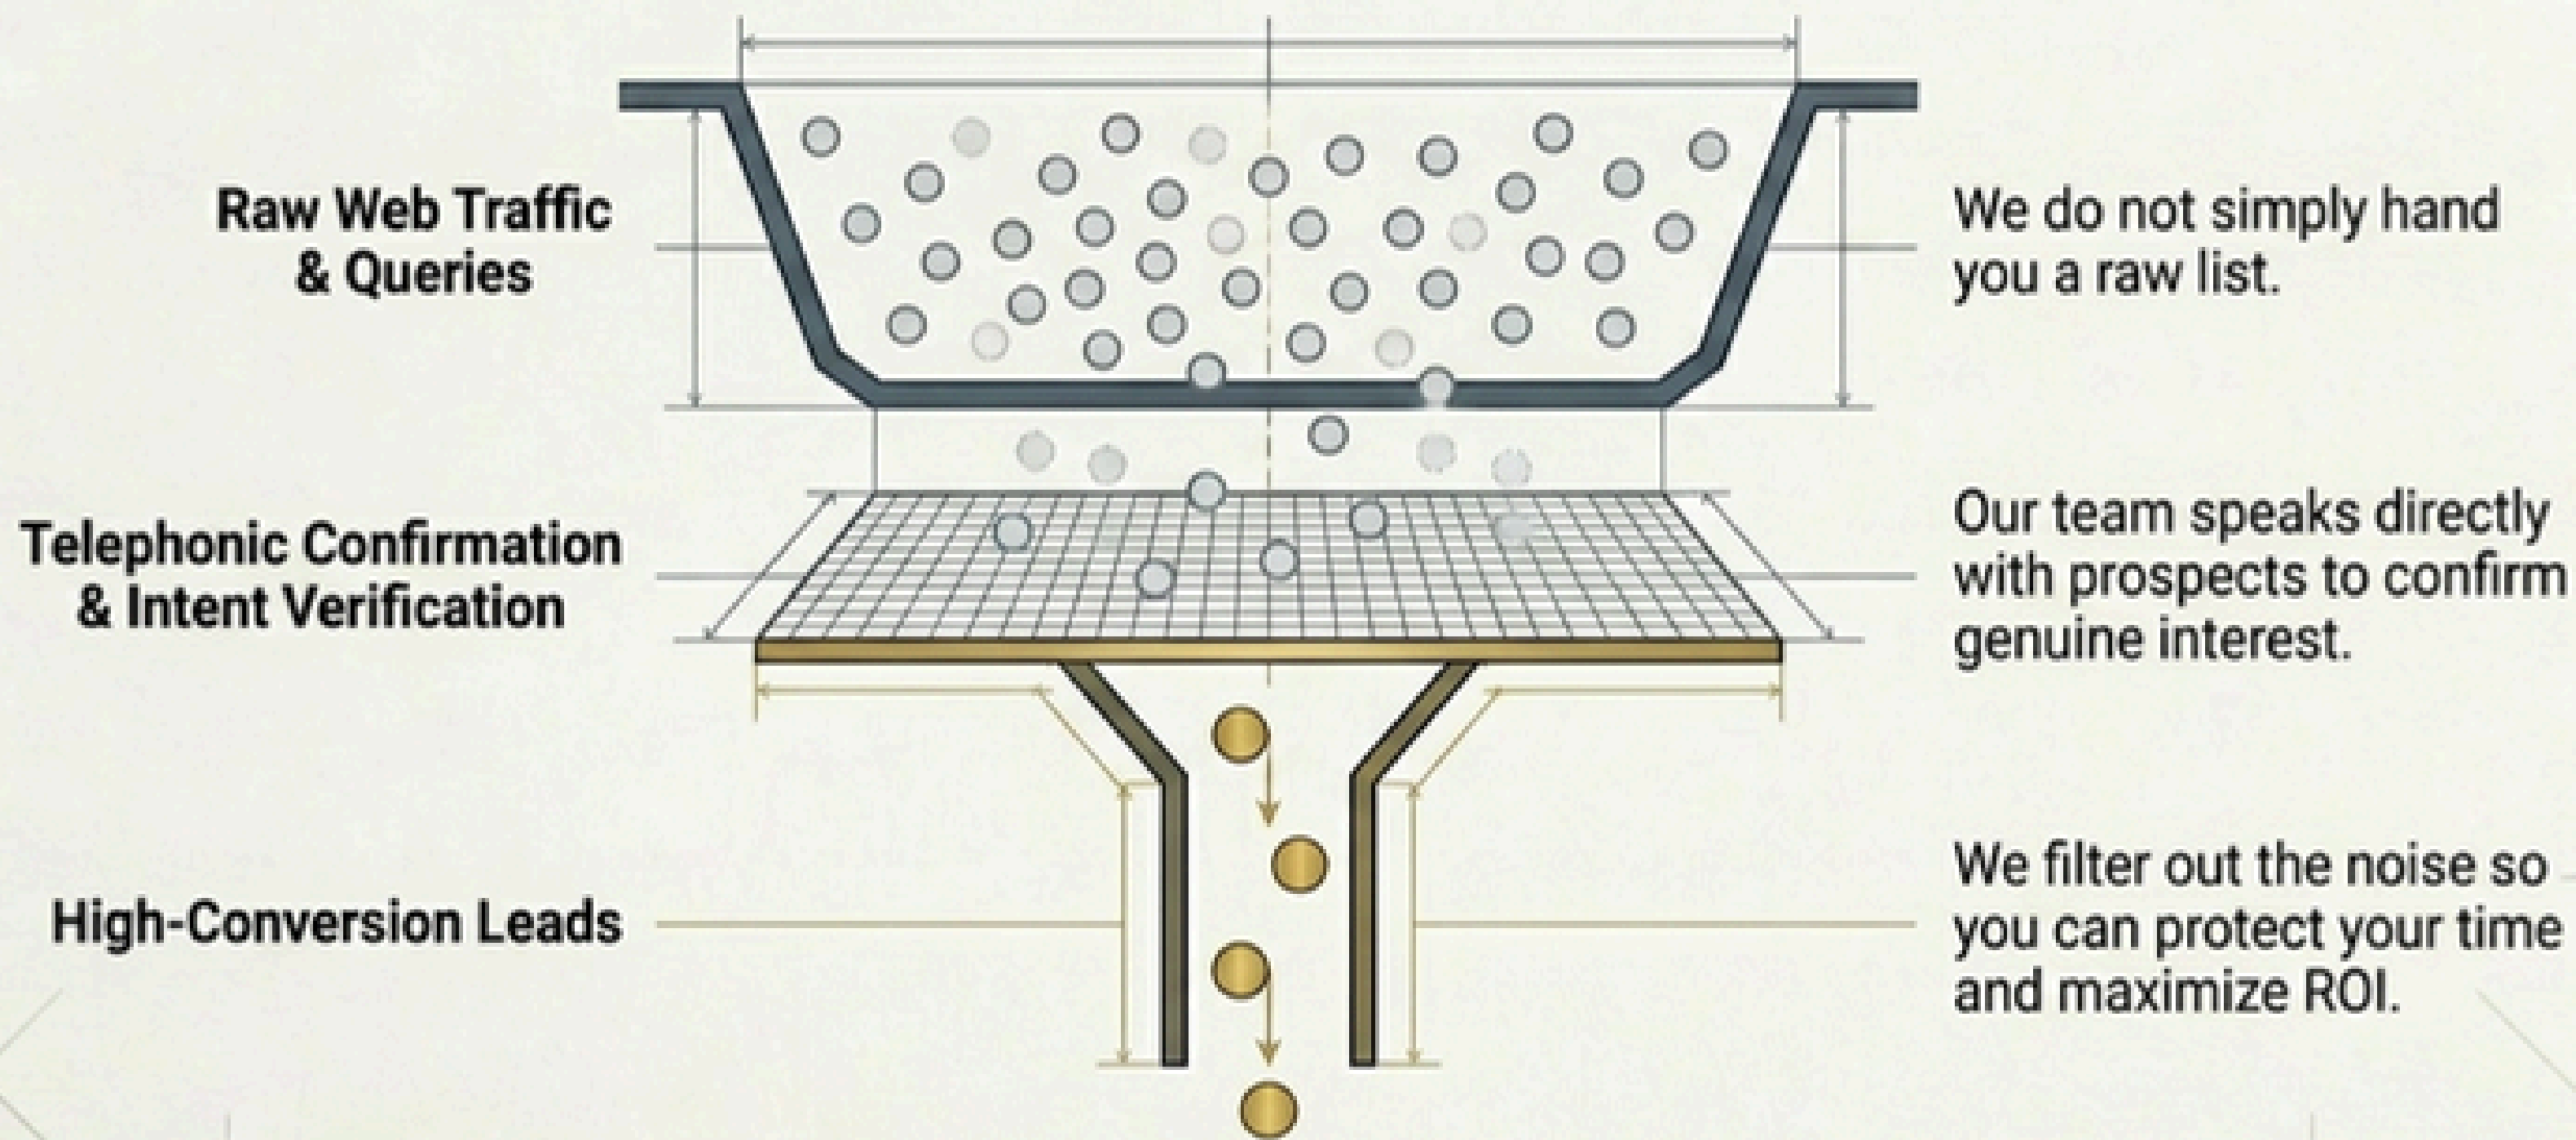

Immediate access to an established, high-volume property marketplace with no hidden registration costs.

The RealEstateIndia Standard Outperforms the Industry

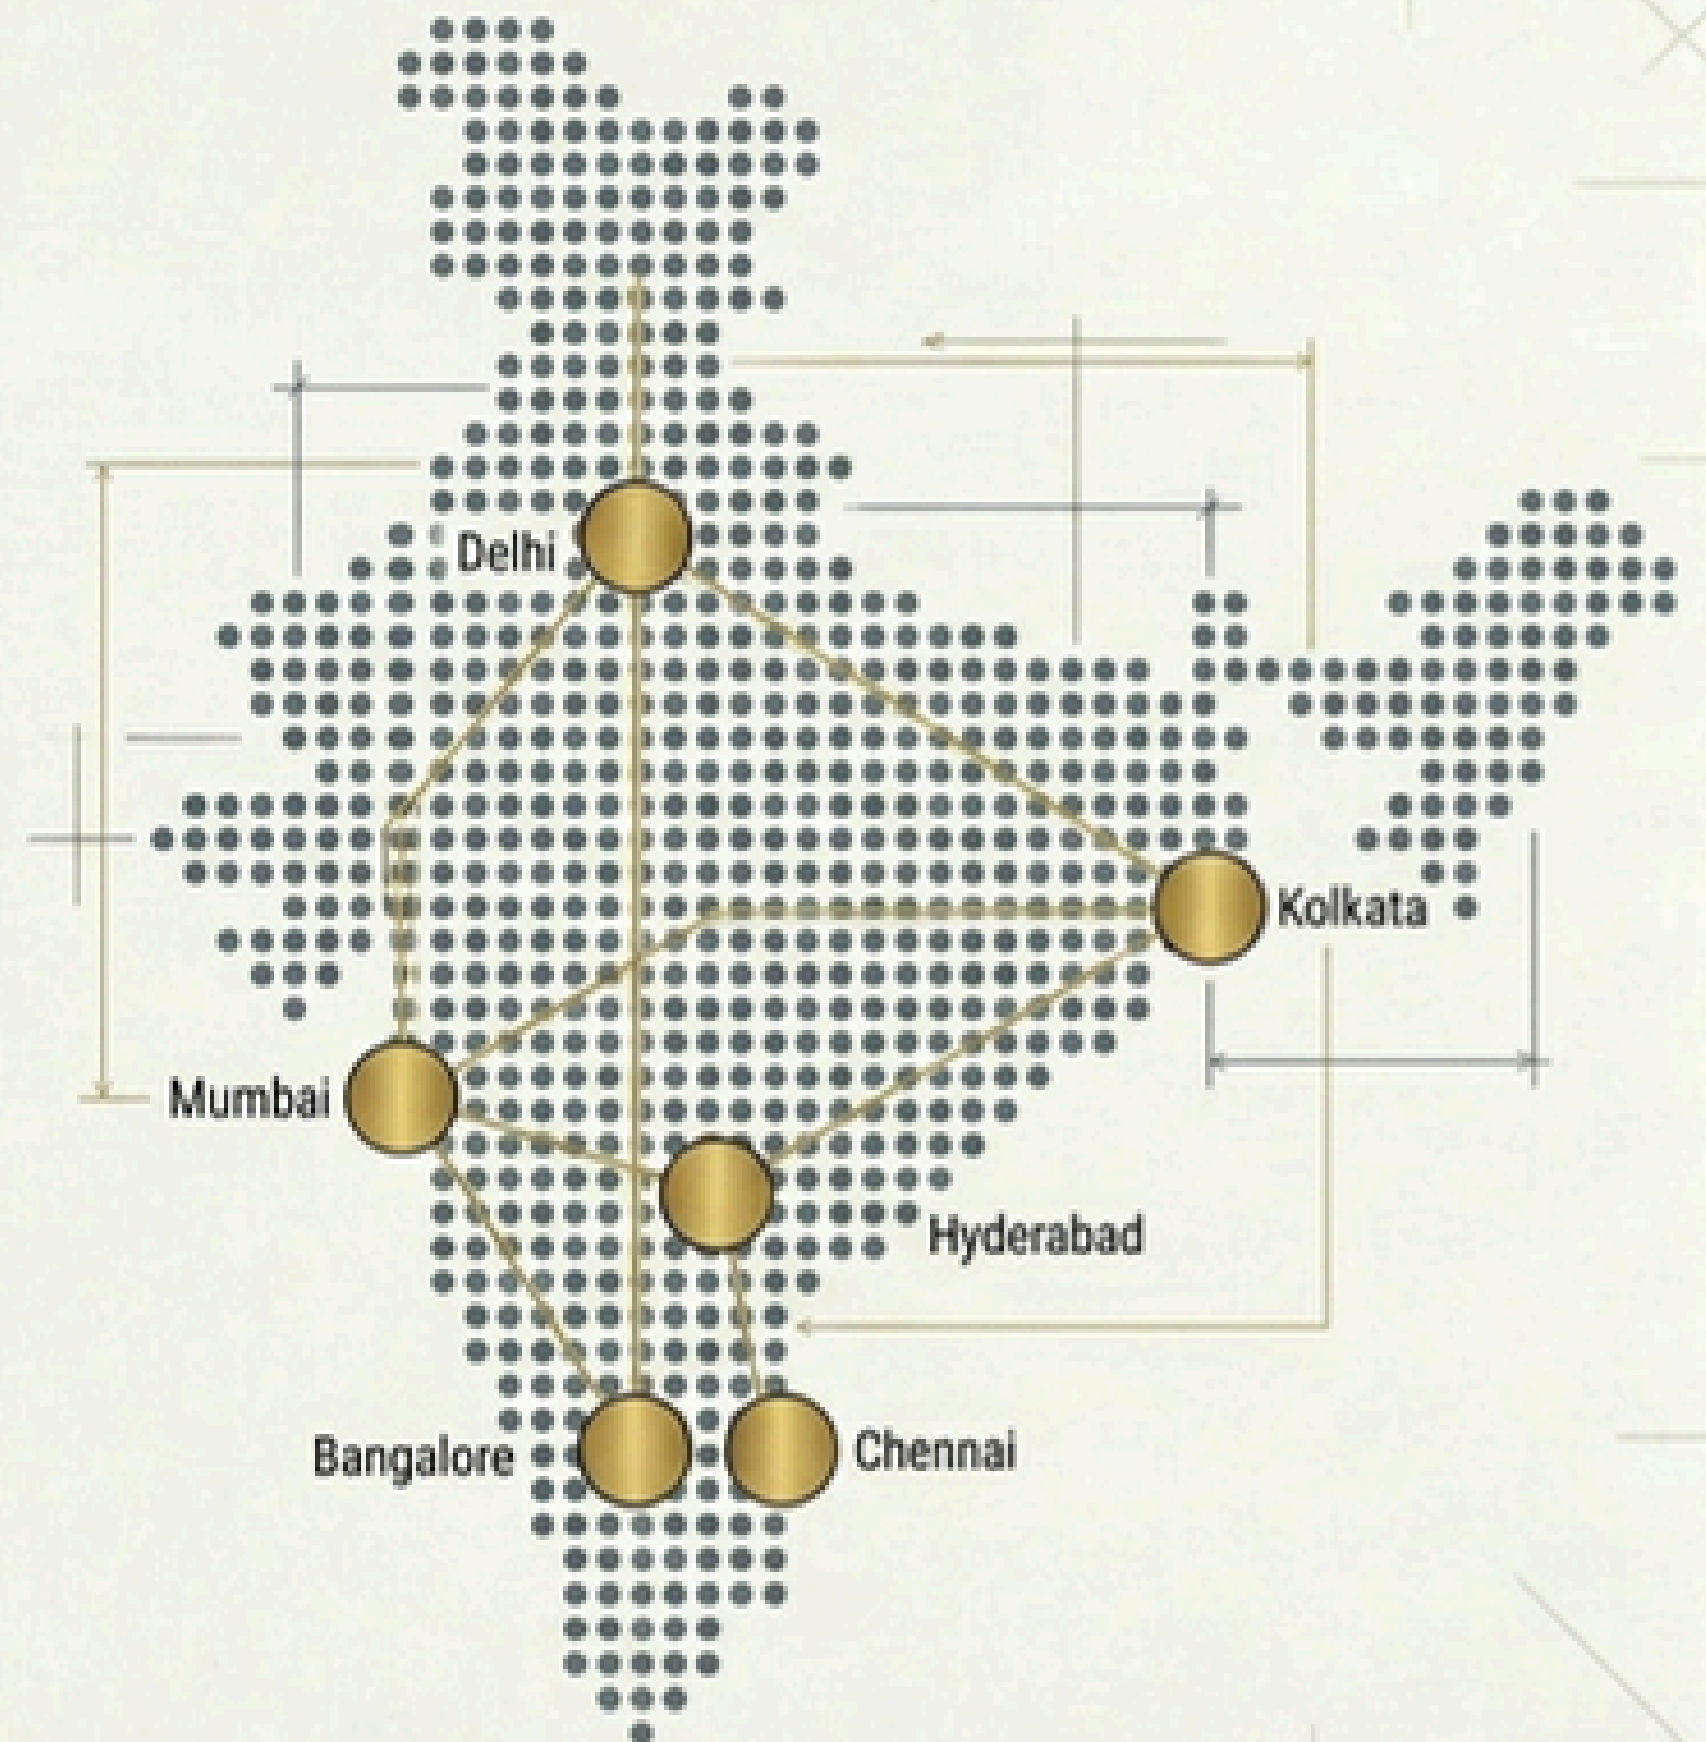

Evaluation Criteria	Standard Portals	RealEstateIndia
Verification	Unverified data dumps	100% Mobile Verified
Buyer Intent	Passive browsers	High Conversion Rate Focus
Market Coverage	Limited geo-focus	Complete All-India Reach
Platform Support	Automated bot support	Quick Response & Dedicated Support

Transforming Raw Inquiries into 100% Mobile-Verified Leads

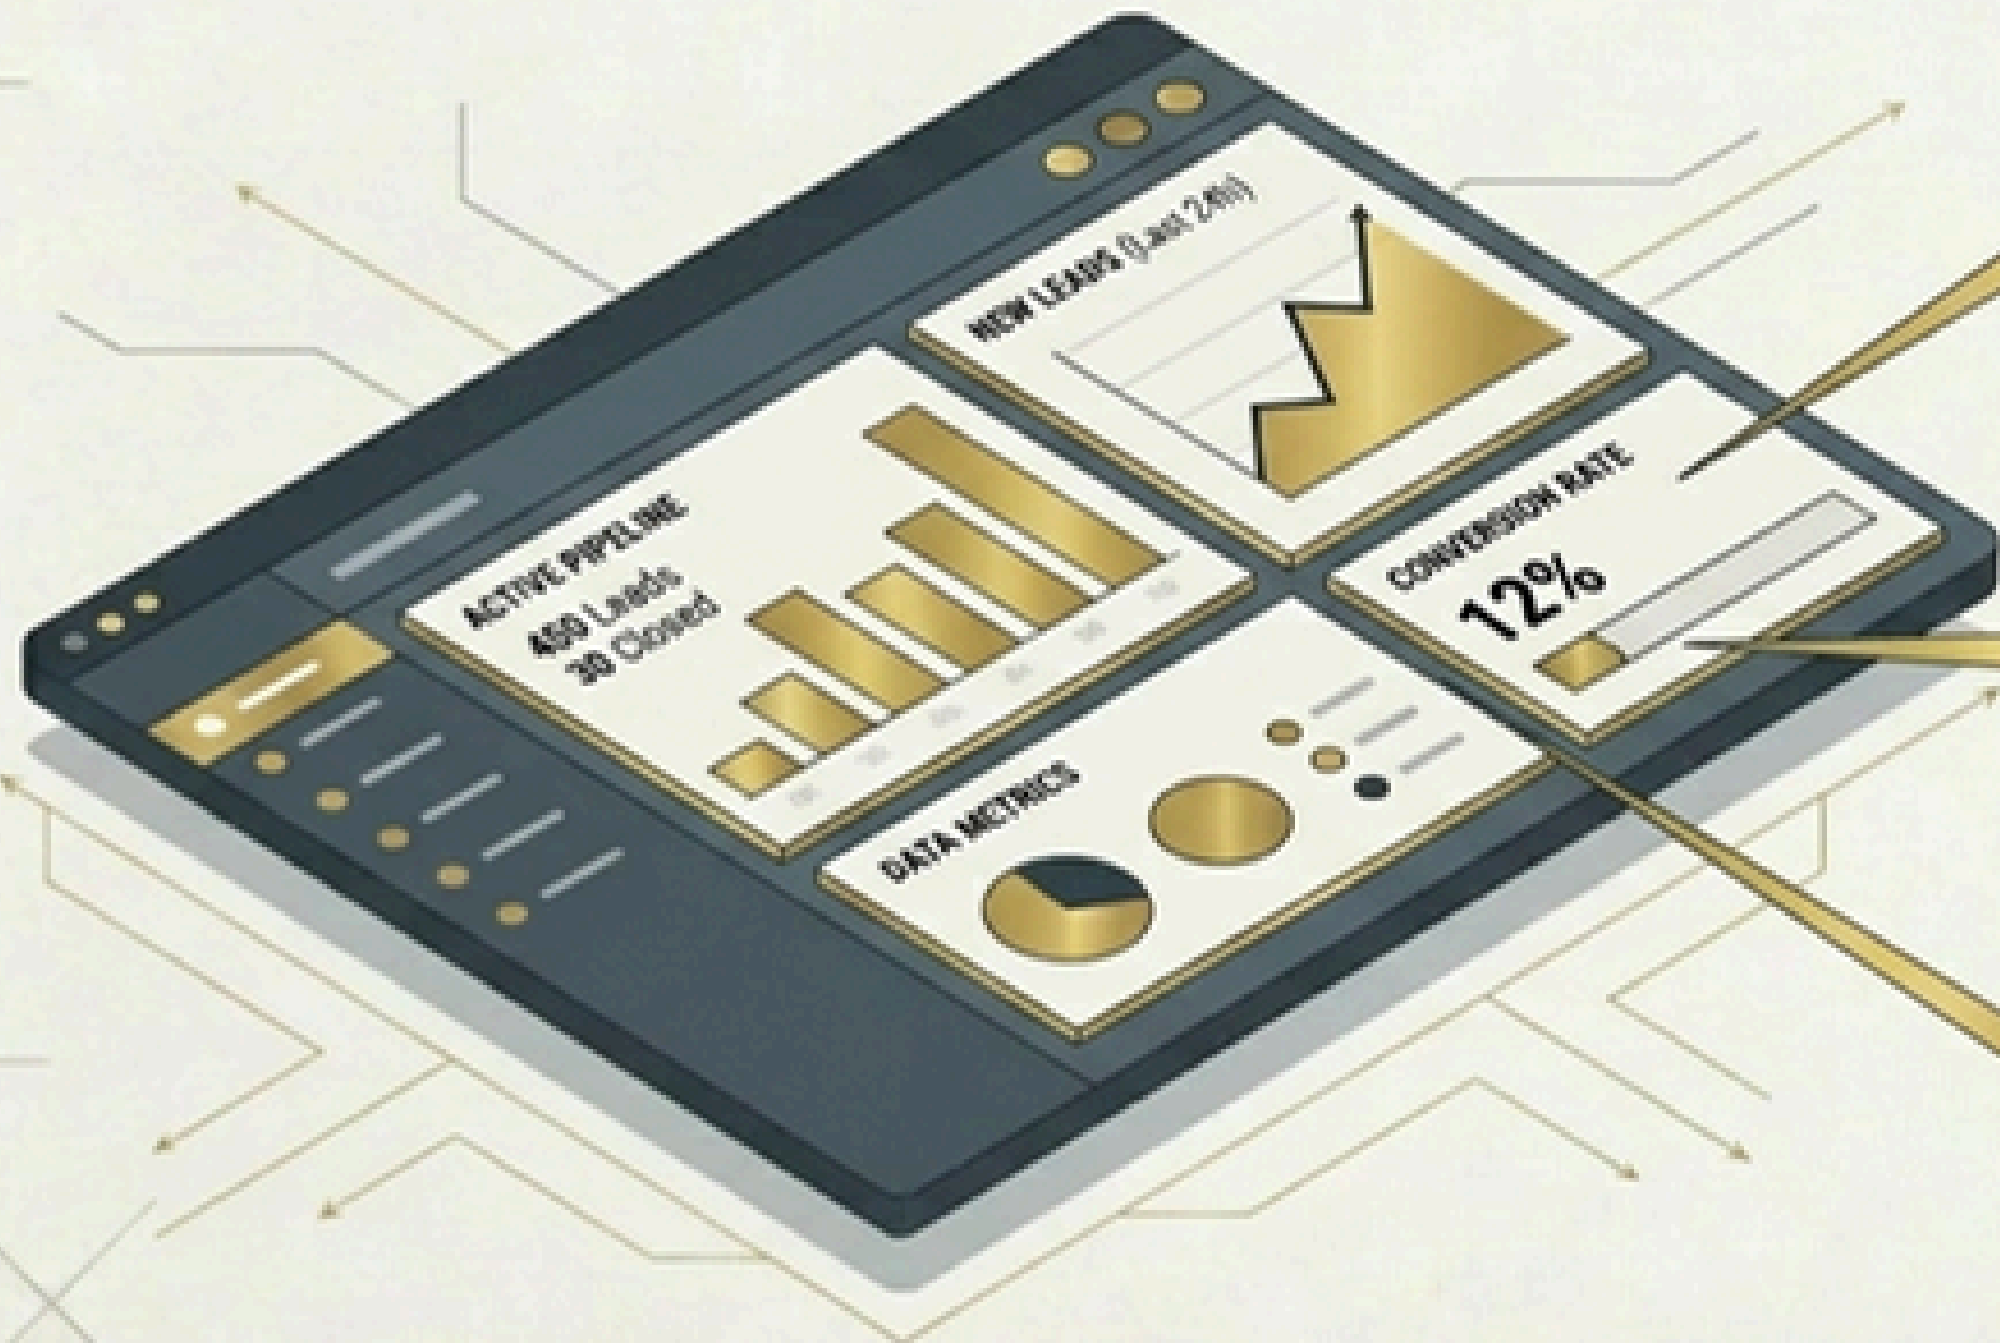

Complete National Saturation Across Every Major Market

Access a wide and diverse client base anywhere in India. From top-tier metros to emerging regional markets, find **genuine buyers** wherever your properties are located.

Total Pipeline Control from an Intuitive Dashboard

Instant Lead Delivery
(30-60 minutes after property goes live)
