Bridging the gap between Greater Noida's growing startups, multinational corporations, and highly suitable local candidates.

Offering flexible permanent and contract-based localized staffing support tailored to regional industry demands.

# Frequently Asked Questions

**Q:** Do consultants charge candidates?

**A:** Most are paid by employers. Job sourcing is absolutely free for candidates.

**Q:** Do agencies conduct the interviews?

**A:** Agencies guide and train candidates to improve skills, but final specific job interviews are coordinated with the employer.

**Q:** How long does placement take?

**A:** Placement can take anywhere from a few weeks to a few months, depending entirely on your specific skills and experience.

**Q:** Are part-time or freelance jobs available?

**A:** Yes, services cover various employment types, including part-time and freelance roles based on qualifications.
